LED lights only in combination with a Book Nook.

All prices include GST.

Materials & Finish

Crafted from sustainably grown, clear-grade eco pine.
Finished with locally manufactured, low-VOC, water-based paints
— safe for your home and the environment.

Origin

Our furniture is handmade in our Melbourne factory workshop. We deliver Australia-wide. Standard production time is 10 weeks with a 50% deposit. A 6-week fast-track option is available (subject to capacity) with a 10% surcharge and payment in full.

Warranty

We offer 24-month warranty (some T&Cs apply)

Customisation & Craftsmanship

Some dimensions can be tailored to suit your space.
Each item is made by hand using the highest-quality materials.
As timber is a natural product, slight variations and minor imperfections may occur — these are part of its character and do not affect strength or durability.

Weight Rating & Safety

For all our bed designs, each sleeping spot is rated at 150kgs.
Our beds are safety certified by Furntech.

Mattresses

Supplied by AH Beard, proudly made in Australia, backed by a 10-year warranty (T&Cs apply). AH Beard is a sustainability leader in mattress manufacturing, committed to using responsibly sourced materials and minimising waste. AH Beard is partnered with programs like Soft Landing to recycle old mattresses and recover materials such as steel and foam. If you'd like help disposing of your old mattress in a sustainable way, just let us know — we're happy to assist.

House of Orange is a member of the Australian Furniture Association (AFA) and a founding member of the Australian Furnishing Industry Stewardship Council (AFISC).

AH BEARD MATTRESSES

Traveller Supreme

Proudly Australian-made by AH Beard, the Traveller Supreme Mattress is designed with both comfort and durability in mind. Available in Single, King Single, Double, Queen and King size, it's ideal for home, commercial, or accommodation use where longevity and performance matter.

- Contour Coil 3-Zone Support System: Enhanced spinal alignment with firmer coils through the centre third of the mattress.
- UltraLoft Comfort Layer: Offers cushioning that is resilient and luxurious.
- Durable EvoFoam Comfort Layers: Eco-friendly and body-conforming, reducing sleep disturbance.
- Fire-Retardant Damask Fabric: Breathable and compliant with AS1530.3 fire safety standards.
- Profile Edge Support: Strengthened perimeter reduces roll-off and maximises sleep surface.

Executive Supreme

Made in Australia by AH Beard, the King Coil Executive Supreme is a premium mattress designed for luxurious comfort and advanced spinal support. Ideal for discerning sleepers, it's built with innovative materials and endorsed by the International Chiropractors Association.

- Conforma Coil 3-Zone System: Zonal support that adapts to your body and aligns the spine.
- Talalay Latex Layer: Breathable, pressure-relieving, hypoallergenic, and antimicrobial.
- UltraLoft & EvoFoam Comfort Layers: Resilient and eco-conscious cushioning.
- AeroQuilt Technology: Enhanced breathability and comfort, resistant to body impressions.
- Fire-Retardant Stretch Knit Cover: Soft and safe, meets AS1530.3 standards.
- Performa Edge Support: Expanded usable surface and reinforced perimeter.

Low Height Sprung Trundle Mattress

The Low Height Sprung Trundle Mattress is designed for space-saving trundle beds, offering firm support and durability. Its low-profile design ensures it fits seamlessly in trundles under our standard Frankie Bunk beds.

- Low-Profile Height: Only 12cm high—perfect for under-bed storage.
- Pocket Spring System: firm support.
- Firm Sleep Surface: Great for spinal support and everyday use.
- Durable Polyester Fabric: Comfortable and long-lasting outer cover.
